To Whom So It May Concern

This is to appreciate the team work performance rendered by **Mr. E.A.Khan** Sr. Manager (Exce.) AFCONS and **Shri Yogesh Ojha** Manager (Exce.) AFCONS with their team in accomplishing the stiff targets of Fabrication and Erection of steel plate girders at the prestigious work "Construction of Grade Separator at Raja Ram Kohli Marg and Shastri Nagar Intersection at Geeta Colony, Delhi" related to infrastructure development work related to Common Wealth Games - 2010.

The erection work in particular was carried out in very short span of time with space and mobility constraints. This all were possible with meticulous planning and total committed approach to achieve the given target. The safety measures and the work culture observed at the operational areas were found highly praise worthy.

I wish all success to Mr. E.A. Khan and Shri Yogesh Ojha and there team in their future professional carrier.
