Afcons bag Bahrain project

MUMBAI: One of India's leading infrastructure company, Afcons Infrastructure Limited, has bagged one of the most crucial and prestigious project worth BD 25 million (\$66.3 million) from Ministry of Works, Kingdom of Bahrain. The project, construction of 3-level Highway Interchange, is a challenging assignment as a two-lane flyover will be built on an existing highway - the entry point to Bahrain between the King Fahad Causeway and Khaifa bin Salman Port. *Sakal Times*
