Kolkata: 100 vaccinated at RKM camp funded by infra major

TNN | Jul 8, 2021, 04.05 AM IST

KOLKATA: After vaccinating its staff, Afcons, contractors of the Esplanade-Howrah stretch of East-West Metro corridor, is now reaching out to the underprivileged. On Wednesday, the infra major sponsored a vaccination drive organized by Ramakrishna Mission, Belur Math.

Around 100 people were inoculated in the camp at Ramakrishna Mission Shikshan Mandir at Belur Math's BT College ground. "We wanted to do our bit for those who can't pay for the vaccines. We are thankful to the RKM authorities for making our wish come true," said Afcons' project manager Satya Narayan Kunwar.

Last month, Afcons and ITD Cementation organized vaccination camps for their employees .

Congratulations!
