

## DETAILS OF BUSINESS

We are the flagship infrastructure engineering and construction company of the Shapoorji Pallonji group. We have a strong track record of executing numerous technologically complex EPC projects both within India and internationally. According to the Fitch Report, we are one of India's largest international infrastructure construction companies, as per the 2023 ENR Top International Contractors rankings, based on International Revenue. In the last ten financial years and the six-month period ended September 30, 2023, we have successfully completed 76 projects across 15 countries with a total historic executed contract value of ₹522.20 billion. Over the years, we have expanded our presence globally and in particular across Asia, Africa and the Middle East. We have undertaken many complex, challenging, unique and 'first of its kind' infrastructure projects in India and the rest of the world.

Our projects cover five major infrastructure business verticals:

- ❖ Marine and Industrial, covering ports and harbour jetties, dry docks, wet basins, breakwaters, outfall and intake structures, liquefied natural gas tanks and material handling systems.
- ❖ Surface Transport, covering highways and roads, interchanges, mining related infrastructure and railways.
- ❖ Urban Infrastructure, covering elevated and underground metro works, bridges, flyovers and elevated corridors.
- ❖ Hydro and Underground, covering dams and barrages, tunnels (including large road tunnels) and underground works, water and irrigation.
- ❖ Oil and Gas, covering both offshore and onshore oil and gas projects.
