# **Firoz Cyrus Mistry, Santosh Nayar named for Afcons Infra board**

Afcons Infrastructure, the listed engineering and construction arm of the Shapoorji Pallonji Group, has announced the appointment of Firoz Cyrus Mistry, son of former Tata Group chairman late Cyrus Mistry, to its board as non-executive director. The company also inducted veteran banker Santosh Balachandran Nayar as an independent director, both appointments taking effect on Thursday. This comes close on the heels of Pallon S Mistry, son of Shapoor Mistry, joining the Afcons board last month — signalling next-gen family involvement in Afcons, the company noted.
