**INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM
STANDALONE FINANCIAL RESULTS**

**TO THE BOARD OF DIRECTORS OF
AFCONS INFRASTRUCTURE LIMITED**

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **Afcons Infrastructure Limited** ("the Company"), which includes 15 joint operations consolidated on proportionate basis and 20 branches located at Mauritius, Mozambique, Gabon, Zambia, Mauritania, Ghana, Bhutan, Bangladesh, Liberia, Tanzania, Kuwait, Maldives, Indonesia, Qatar, Ivory Coast, Jordan, Oman, Abu Dhabi, Bahrain and Benin for the quarter and half year ended September 30, 2025 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 and 52 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors as referred in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulations 33 and 52 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. The Statement includes the interim financial results of the Joint Operations listed in **Attachment A**.

6.

(i) We draw attention to Note no. (ix) of the Statement, which describes the uncertainties relating to the outcome of the proceedings in arbitration and High Court in respect of variations recognised by the Company in terms of the provisions of the contract with the client, on account of matters stated therein.

Based on the Management's assessment and technical evaluation of the recoverability of the aforesaid claims, in terms of the provisions of the contract, which is supported by legal opinion, as stated in the said Note (ix), the management of the Company is of the view that the amounts recognised as amount due from customers under construction contracts, are considered as good and fully recoverable and no provision is considered necessary at this stage. However, considering that the proceedings in arbitration and High Court are ongoing, the duration and outcome is uncertain.

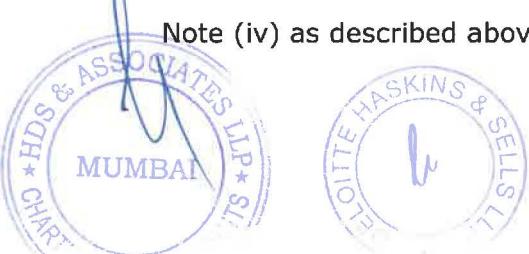

(ii) Review report on the Unaudited Financial Results of Transtunnelstroy Afcons Joint Venture (a joint operation included in the Statement of the Company) includes an emphasis of matter as under:

"We draw attention to Note (iv) to the Statement, which describes the uncertainties relating to the outcome of the proceedings in arbitration, High Court and Supreme Court in respect of variations recognised by the joint venture in earlier years in terms of the provisions of the contract with the client, on account of matters stated therein.

Based on the Management's assessment and technical evaluation of the recoverability of the aforesaid claims, in terms of the provisions of the contract, which is supported by legal opinion, the management is of the view that the amounts recognised as amount due from customers under construction contracts and trade receivable including interest on trade receivables as per arbitration award, are considered as good and fully recoverable and no provision is considered necessary at this stage. However, considering that the proceedings in arbitration, High Court and Supreme Court are ongoing, the duration and outcome is uncertain.

Our Conclusion on this Statement is not modified in respect of this matter"

Note (iv) as described above is reproduced as Note (v) to the Statement.

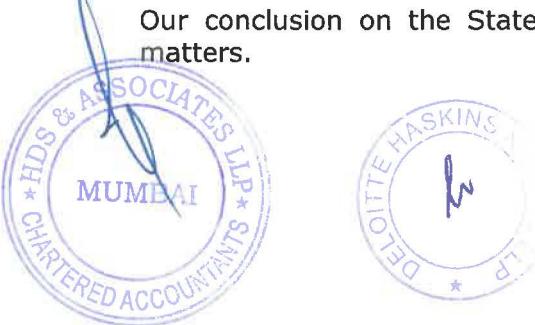

(iii) We draw attention to Note (vi) to the Statement, which describes the uncertainties relating to the outcome of the arbitration proceedings in respect of claims recognized by the Afcons Gunanusa Joint Venture in earlier years, on account of change orders.

Based on the Management's assessment and technical evaluation of the recoverability in terms of the provisions of the contract, which is supported by legal opinion, the management is of the view that the amounts recognized as amount due from customers under construction contract are considered as good and fully recoverable and no provision is considered necessary at this stage. However, considering that the arbitration proceedings are ongoing, the duration and outcome is uncertain.

(iv) We draw attention to Note no. (vii) to the Statement, which describes the uncertainties relating to the outcome of the Hon'ble High Court Delhi, proceedings, where the Dahej Standby Jetty Project Undertaking has filed appeal to set aside an unfavourable award granted in Arbitration, towards claims of liquidated damages for delay in completion of works by Joint Venture.

Based on the Management's assessment and technical evaluation of the recoverability of the aforesaid client claims which are already encashed and claims filed by the Joint Venture against the client, in terms of the provisions of the contract, which is supported by legal opinion, as stated in the said Note (viii), the management is of the view that the amounts recognised as amount due from customers under construction contracts and other receivable, are considered as good and fully recoverable and no provision is considered necessary at this stage. However, considering that the proceedings in High Court are ongoing, the duration and outcome is uncertain.

Our conclusion on the Statement is not modified in respect of the above matters.

7. We did not jointly review the interim financial results of 15 joint operations included in the Statement whose interim financial results reflect total assets of Rs. 2,142.40 crore as at September 30, 2025, total revenue of Rs. 136.27 crore and Rs. 454.55 crore for the quarter and half year ended September 30, 2025 respectively, total net (loss)/profit after tax of Rs. (4.46) crore and Rs. 132.92 crore for the quarter and half year ended September 30, 2025 respectively and total comprehensive (loss)/income of Rs. (46.39) crore and Rs. 88.83 crore for the quarter and half year ended September 30, 2025 respectively and net cash inflow of Rs. 1.12 crore for the half year ended September 30, 2025, as considered in this Statement. The interim financial results of these joint operations have been reviewed by either of us in our individual capacity or jointly with other auditors or other auditors whose reports have been furnished to us, and our conclusion in so far as it relates to the amounts and disclosures included in respect of these joint operations, is based solely on the report of such other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of this matter.

These variations are in various stages of arbitration, Madras High Court and Supreme Court. Based on the assessment, historical experience in similar circumstances and technical evaluation of the aforesaid matters related to claims, carried out by Joint Venture's management, after considering the current facts and status of proceedings in arbitration, High Court and Supreme Court as of date, which is supported by legal opinion, the management of Joint Venture is confident of getting favourable order/ award and is of the opinion that amount of ₹ 659.87 Crore recognized towards such variations/ claims in 'Contract assets' as non-current assets, an amount of ₹120.81 Crore towards the arbitration award recognized as 'Non-current Trade Receivables', an amount of ₹30.63 Crore towards the interest on arbitration award as 'Other non-current financial assets' and an amount of ₹ 25.77 Crore towards bank guarantee encashed by client as 'Other non current financial assets', is appropriate and the same is considered as good and fully recoverable. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **Afcons Infrastructure Limited** ("the Parent"/"the Company") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), for the quarter and half year ended September 30, 2025 ("the Statement") which includes 20 branches of the Group located at Mauritius, Mozambique, Gabon, Zambia, Mauritania, Ghana, Bhutan, Bangladesh, Liberia, Tanzania, Kuwait, Maldives, Indonesia, Qatar, Ivory Coast, Jordan, Oman, Abu Dhabi, Bahrain and Benin and 15 Joint Operations, being submitted by the Parent pursuant to the requirement of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 and 52 of the Listing Regulations. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the interim financial results of the entities listed in Attachment A.

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulations 33 and 52 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Based on the Management's assessment and technical evaluation of the recoverability of the aforesaid claims, in terms of the provisions of the contract, which is supported by legal opinion, as stated in the said Note (ix), the management of the company is of the view that the amounts recognised as amount due from customers under construction contracts, are considered as good and fully recoverable and no provision is considered necessary at this stage. - During the quarter, the company's Board welcomed new members, including Mr. Pallon Mistry (Non-Executive Director), Mr. Firoz Cyrus Mistry (Non-Executive Director) and Mr. Santosh Nayar (Independent Director).

Commenting on the Results, Mr. Subramanian Krishnamurthy, Executive Chairman (Whole-time Director) said, "We delivered modest growth both in revenue and profitability during the first half of FY26, despite extended and intense monsoons.

In H1 FY26, our total income reached ₹6,520 crore representing a growth of 3.4% y-o-y. The EBITDA margin during the period expanded to 13.0%. Our profit after tax grew by 6.8% year-on-year. However, our Q2 performance was muted on the back of subdued order inflow and slower execution due to extended and harsh monsoons. Pending order book at the end of September 2025 was ₹32,681 crore, which includes order inflow of ₹1,268 crore received in H1 FY26. With a healthy pipeline and considering Government's capex plans we believe that the second-half will witness a robust uptick in our order book.

We extend our gratitude to Mr. Shapoorji Pallonji Mistry for his invaluable guidance and oversight as Chairman of the Board. His continued association as Chairman Emeritus will remain a source of strength as we strive to reinforce our position as a leading infrastructure-focused organization. The recent induction of Mr. Pallon Mistry, Mr. Firoz Cyrus Mistry, and Mr. Santosh Nayar to the Board marks an important step forward. Their insights will bring fresh perspectives that will support our long-term growth ambitions.

As we step into the second-half, our focus remains on disciplined execution and prudent financial management as we pursue sustainable growth and maintaining our profitability. We will continue to approach bidding and investment decisions with care, ensuring that shareholder value remains at the core of our strategy."
